Proposal for the election of Chairman and Vice Chairman of the Board

- Mr. Kari Jordan to be elected as Chairman of the Board
- Mr. Heikki Malinen to be elected as Vice Chairman of the Board
Revised Charter of the Shareholders’ Nomination Board

Item 13 on the agenda
Revised Charter of the Shareholders’ Nomination Board

The Shareholders’ Nomination Board proposes that its Charter would be revised. The proposed main changes are:

• The term of office of the members of the Shareholders’ Nomination Board to be one full year instead of the current approximately six (6) months;

• The composition of the Shareholders’ Nomination Board to be based on the ownership situation at the end of August, each year, instead of a month later; and

• When considering the composition of the Board of Directors, the Shareholders’ Nomination Board would take into account the Company’s Diversity Principles

In addition, the Shareholders’ Nomination Board proposes some technical adjustments to the Charter
Resolution on the remuneration of the auditor

Item 14 on the agenda
Remuneration of the auditor

- The Board proposes on the recommendation of the Audit Committee that the elected auditor be reimbursed in accordance with the auditor’s invoice approved by the Board of Directors
Election of auditor

Item 15 on the agenda
Election of auditor

• The Board proposes on the recommendation of the Audit Committee that accounting firm PricewaterhouseCoopers Oy be elected as the auditor for the term of office ending at the end of the next Annual General Meeting

• The auditor’s assignment also includes giving the auditor’s statement on the discharge of the members of the Board of Directors and the CEO from liability and on the proposal of the Board of Directors for distribution of profit
Authorizing the Board of Directors to decide on the repurchase of the company’s own shares

Item 16 on the agenda
Authorizing the Board of Directors to decide on the repurchase of the company’s own shares

- The Board of Directors proposes that the Board of Directors be authorized to resolve to repurchase a maximum of 40,000,000 of Outokumpu’s own shares, currently representing approximately 9.6% of Outokumpu’s total number of registered shares. The own shares may be repurchased pursuant to the authorization only by using unrestricted equity. The price payable for the shares shall be based on the price of the company’s shares on the day of repurchase in public trading or otherwise at the price prevailing on the market.

- The Board of Directors is authorized to decide how the own shares will be repurchased. The own shares may be repurchased in deviation from the proportional shareholdings of the shareholders (directed repurchase). Shares may also be acquired outside public trading. In connection with the acquisition of the company’s shares, derivative, share lending, or other agreements that are normal within the framework of capital markets may take place in accordance with legislative and regulatory requirements. The aggregate number of Outokumpu’s own shares held by the company and its subsidiaries may not, however, exceed 10% of the total number of registered shares. The authorization will be in force until the end of the next Annual General Meeting, however expiring at the latest on May 31, 2020.

- At the time of the Annual General Meeting Outokumpu holds 5,148,433 own shares.
Authorizing the Board of Directors to decide on the issuance of shares as well as other special rights entitling to shares

Item 17 on the agenda
Authorizing the Board of Directors to decide on the issuance of shares as well as special rights entitling to shares

- Authorization to issue new shares and transfer treasury shares (share issue) and grant special rights entitling to shares (excl. option rights to the company’s management and personnel under an incentive plan)

- On the basis of the authorization
  - a maximum of 40,000,000 new shares may be issued
  - a maximum of 40,000,000 treasury shares may be transferred
  - 40,000,000 shares represent 9.6% of the total number of registered shares

- Through one or several share issues and/or by granting of special rights entitling to shares the maximum number of shares is thus 80,000,000

- The Board is authorized to resolve upon all other terms and conditions

- The Board has the authority to decide on the issue of shares and granting of special rights in deviation of the pre-emptive subscription right of the shareholders (directed share issue)

- The authorization is valid until the end of the next Annual General Meeting
  - Expiring at the latest on May 31, 2020
Closing of the meeting
